The Christian County Family Crisis Center has requested these items when asked what they were most in need of: Canned food, Cereal, Laundry Soap, Cleaning Supplies, and womens and childrens clothing (please only bring new or slightly used). The CCFCC also has a thrift store, so almost anything can be used. Please help in any way possible. If you are wanting to know how to help this event getting as many of the above items is the best way. Also, if we can get more turkeys donated or bought for the event it will make more winners in the Turkey Trott.
